New Printer and Unusable Ink – The Floyd Co. billed the Cemetery for trying to fix the old printer and for a new printer. Leone paid the Floyd Co. bill because the credit card is maxed out. Leone needs to be reimbursed. Leone will check to see if the new ink cartridges are returnable. If not, Lisa will try to sell on Marketplace.

Location for Meetings – A motion was made, seconded and passed to move monthly meetings to the Methodist Church. Lisa will prepare a legal add and forward to MV News to post for two weeks.

12. Staff In-Sight

Lisa: out-of-town May 19-May 27.

Deb: lawyer said we can post No Trespassing signs. She heard back from Chris Johnson, MSRF. He does not have an answer yet, but well-received. The commissioners signed the KOD contract (Lisa will file in April file folder). Chris has been given a fuel card, and he is allowed to use the cemetery mower. There was discussion on VA bronze markers and that the concrete plant can make the cement form for the markers for about \$200.

Leone: Windy Landscaping is now Happy Lark Irrigation Services. Lisa will email them and attach a blank W-9 saying we need it to get a vendor number and to pay them. Leone said that the Christian school kids and the Catholic church would like to volunteer to schedule a work part to clean headstones, etc. Leone reported that KOD started thatching. Chris seems conscientious. Next on the list is watering (Chris-KOD & Chris Colvin) and fertilizing (Cascade Pipe). There was discussion of adding a full burial cemetery service fee. Deb is suggesting \$200. Carol made a motion to add a \$200 service fee and Deb seconded. Passed. Deb will update pricing and Lisa will update fees on the cemetery website. Leone reported that questionable characters are hanging out at the cemetery.
