

Okanogan County Cemetery District 2
Beaver Creek Cemetery
SPECIAL MEETING
February 16, 2026

MINUTES

Open Meeting

The meeting was called to order by Deb Reynaud at 6:04pm and held at 125 Hwy 20 N., Ste. 1, Twisp.

Present

Carol Gaston & Deb Reynaud, Commissioners
Leone Edson, Cemetery Manager
Jim Melton, Sexton
Dan Donohue, Meredith Dufresne, Gary & Laurie Maxwell, Public

Jim gave a brief explanation of the cemetery doing a BLA within the cemetery that would benefit all and explained about the other uses for this property.

Deb asked if all surrounding landowners are still interested. They said yes and that they would have an offer or not at either the April or May Board meetings.

Deb explained that the attorney for the cemetery said all personal property needed to be removed and that the cemetery property will be posted No Trespassing. Gary Maxwell asked if the cemetery is public property and why they could not use. Deb will present this to the attorney for clarification.

Deb then explained that the cemetery will proceed with the BLA. If there are no offers from the landowners, then the cemetery will take time to repay Jim, save money, proceed to obtain right of way, and then sell the property to the public.

The landowners were thanked for attending

The Special Meeting adjourned at 6:26pm.
